ST. KILDA FOOTBALL CLUB *Cont.*

IAN STEWART

Ian, like Ross Smith, has won a Brownlow Medal. In fact, Ian's record is better. He has won two—in 1965 and 1966. A talented centreman, Ian also won the Club best and fairest in 1964 and 1966.

JOHN O'DONNELL

A high leaping ruck rover, John has worked his way into the seniors this year, after several years grooming in the junior grades. John is a strong kick and is one of the select few who have goaled with their first kick in League football.

ROTHMANS ASSIST CODE

In Sydney 230 school and junior teams play each week.

Rothmans National Sports Foundation have helped considerably in this nursery and in the forthcoming August-September schools holidays clinics will be conducted for this age group with former Carlton V.F.L. Captain, Bruce Comben in charge.

KEVIN NEALE

"Cowboy" came to St. Kilda in 1965 from country South Warrnambool. Originally a ruckman defender, he became a success in 1966 when played at full-forward.

JIM O'DEA

Jim was one of the "recruits of the year" in League football in season 1967. He was recruited from Noble Park-Harrisfield, a side which plays in the Federal League. He won that competition's best and fairest in its junior grade in 1966.

BRIAN MYNOTT

Brian was born in England during the "Blitz" and later migrated to Australia. A tall ruckman, he was one of the stars in the 1966 finals.

GEOFF WARD

Geoff has been a topline player in amateur football for many years and decided this season to attempt a break into League ranks. He is a centre half-forward who marks and kicks well.

PRESIDENTIAL MESSAGES

On behalf of the many ardent supporters of Australian Football in New South Wales, I extend a warm welcome to the visiting Carlton, St. Kilda and Victorian Second 18 teams, who play today at the famous Sydney Cricket Ground.

The New South Wales team, in the early clash with Victoria, will derive a great deal of benefit from the game, which should bring them to a peak for the important A.N.F.C. Championship matches at Canberra next week-end.

The Ampol \$1,000 cash award will ensure a keenly contested match between the two leading V.F.L. teams, Carlton and St. Kilda, and we express our appreciation of the Ampol sponsorship.

The link between the Australian Game and the Australian Company is an important gain for the Code in New South Wales.

A big welcome also to all fans, young and old, to the day's fixtures.

W. H. HART, President, N.S.W.A.N.F.L.

★ ★ ★

The St. Kilda Club welcomes the invitation to play Carlton in Sydney and so contribute to the untiring efforts of the N.S.W.A.N.F.L. in its promotion and development of our great game of Australian Football.

This match promises to be a keenly fought contest with the prestige of two well-known clubs at stake.

May we congratulate the N.S.W.A.N.F.L. for the initiative shown in staging this and previous games between V.F.L. Clubs.

G. G. HUGGINS, President St. Kilda Football Club.

★ ★ ★

The Carlton Football Club are extremely happy to be participants in the game to be played today.

We believe that our game warrants every effort to attract more people to become adherents and, therefore, considered it a privilege to be invited to play against St. Kilda, and we sincerely hope that the game will be attractive and worthwhile for those viewing it.

The New South Wales League are to be congratulated on the effort they are making to promote Australian football against the opposition of other Codes.

GEORGE H. HARRIS, President Carlton Football Club.

★ ★ ★

My League is extremely grateful to the New South Wales League for the invitation extended to play in this, the first match between representative teams of New South Wales and Victoria.

I trust that the match will be a most entertaining one and will assist your League in propagating Australian Football in New South Wales.

It is hoped that in reciprocity a team from New South Wales will be able to visit Melbourne for a match on the M.C.G. next season when we will have the opportunity of returning the hospitality.

Our sincere good wishes are extended for the future of Australian Football in New South Wales.

CARLTON WALTER, President, V.F.L. Reserves.

THE BEST SPORTS ENJOY

THE BEST SCOTCH WHISKY

FOOTBALL FIESTA AT THE S.C.G.

The annual match between two Victorian Football League teams at the Sydney Cricket Ground is now established as an important date on Sydney's sporting calendar.

In 1965, after a wet morning 22,378 fans turned out to see Geelong defeat South Melbourne. In 1966, 14,308 braved torrential rain to witness Essendon down Hawthorn, and last year, in fine weather, but despite strong opposition on the adjacent Showground, 23,777 patrons were loud in their applause of the fine display of the players when Essendon defeated Geelong.

Today we proudly submit two of the current leading V.F.L. teams, Carlton and St. Kilda, with their large bands of supporters, many of whom will be in attendance barracking for their idols. "Mr. Football", Ron Barassi, is Captain of the Blues whilst the Saints are led by the illustrious Darrell Baldock.

Whilst it is not possible at this time, and unlikely in the foreseeable future, to present to Sydney fans a full-blooded V.F.L. Premiership Competition match, the teams today will be competing for a \$1,000 cash award, which will invest the game in a competitive spirit.

Sydney folk will recall the T.V. replays of the 1966 V.F.L. Grand Final when St. Kilda, in one of the most sensational V.F.L. final matches, won their first ever Premiership Pennant from Collingwood by one point.

Carlton have eight premierships to their credit, the last in 1947, and both teams are bent on adding the 1968 Flag to their record—St. Kilda at present on top of the competition table and Carlton running fourth.

The teams met twice last year, with Carlton winning narrowly on each occasion—11.14 to 11.9 and 11.7 to 9.8.

They are scheduled to meet only once this year in the home and away matches, i.e. on June 22 at Moorabbin. Therefore, their initial clash for 1968, at the S.C.G., will hold considerable interest and will be a morale booster to the winner.

Since 1964 the clubs have monopolised the Brownlow Medal awards for Best and Fairest player. In that year Gordon Collis of Carlton was the winner whilst St. Kilda has had the honour since—Ian Stewart 1965-1966 and Ross Smith 1967.

N.S.W. FOOTBALL ON TRIAL

Roger Hoggett, former Carlton player and Captain-Coach of the Western Suburbs Club, was appointed State Coach last year and, also as captain of the N.S.W. side, met with a win over Queensland in the S.C.G. curtain-raiser.

With the Australian National Football Council Section 2 Championship set down for Canberra over the Queen's Birthday week-end, it was not practicable to arrange a match against Queensland today, and local administrators have gambled high in tackling a Victorian 2nd 18, as most of their players have V.F.L. first grade experience, whilst others are being groomed for that purpose. The team is coached by Graham Donaldson, former Carlton follower and V.F.L. representative.

Whatever the result the match will serve as a tremendous workout for the Championship matches next week-end, the programme being:

SATURDAY, JUNE 8th:

- (a) Australian Amateurs v Queensland.
- (b) Canberra v New South Wales.

MONDAY, JUNE 10th:

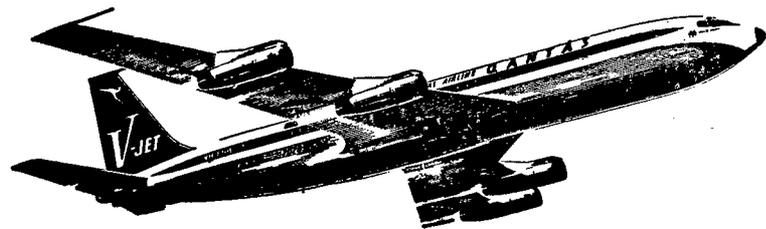

- Loser of (a) v Loser (b).
- Winner of (a) v Winner (b).

FINE GESTURE

The action of the Committee of the V.F.L. Reserves in agreeing to pay the transport and accommodation costs of their official party, and thus allow a greater margin of profit to the N.S.W. League for propaganda purposes, is most praiseworthy.

Attached to their party are 27 Umpires from the V.F.L. Reserves off duty, but intent on viewing today's matches and sampling Sydney's hospitality.

Discussions are already being held in regard to a return match on the M.C.G. next season.

AROUND THE PICKETS

By AUB. REED

AUSTRALIAN RULES—THE KING OF ALL FOOTBALL CODES REIGNS SUPREME AT THE SYDNEY CRICKET GROUND TODAY. Two of Victoria's most famous club teams, **ST. KILDA** and **CARLTON** should provide the Sydney Public with an opportunity of seeing the National Game at its very best.

☆ ☆ ☆

Over the years Australian Football has made a wonderful contribution to Test cricket teams.

Latest football edition is Eric Freeman, at present touring England with the Australian Test side.

Freeman, a regular member of the South Australian State side, kicked 79 goals playing for his club, Port Adelaide, last year.

Other football-cricketers include Neil Hawke (S.A.), Keith Slater (W.A.), Sam Loxton (Vic.), Keith Miller (Vic. and N.S.W.), Vic Richardson (S.A.) and Laurie Nash (Vic.).

☆ ☆ ☆

On the Sydney scene two excellent club matches are set down for decision tomorrow, Sunday.

North Shore will meet the greatly improved Balmain team at North Sydney Oval, while the two glamor teams of the competition, Eastern Suburbs and Southern Districts will clash at Trumper Oval.

☆ ☆ ☆

St. Kilda has two former South Australian State players among its ranks.

They are the Pascoe brothers, Bob and Barry—top class players from the North Adelaide Club.

Both are first year St. Kilda players and are sure to thrill today's S.C.G. crowd with their dynamic style of football.

☆ ☆ ☆

Keep your eye on Sergio Silvagni, Carlton's iron man footballer.

Silvagni is one of the most vigorous, but scrupulously fair players in the V.F.L. competition.

A real crowd pleaser, he is a powerful kick and an extremely safe mark.

Sydney football has produced some very fine individual players over the years.

Probably the most notable of them were Reg Garvin, Stan Lloyd and Roger Duffy, all of the Newtown Club.

Reg Garvin won the best and fairest player award with St. Kilda on two occasions, whilst Stan Lloyd, also a member of the St. Kilda side, and Roger Duffy, who played for Footscray, went on to gain selection in Victorian State teams.

Jack Harding, still playing for Sydney-Naval and a local product, made good with Fitzroy, whilst Snowy Davies, of Eastern Suburbs, also played for the Lions and captained the side for a number of years.

☆ ☆ ☆

In addition to the Fitzroy Lions, other V.F.L. clubs are known as—Essendon, Bombers; Melbourne, Demons; Geelong, Cats; North Melbourne, Kangaroos; St. Kilda, Saints; South Melbourne, Swans; Richmond Tigers; Footscray, Bulldogs; Collingwood, Magpies; Hawthorn, Hawks and Carlton, Blues.

☆ ☆ ☆

Mr. Carl Shiels, a member of the League's Board of Management, aided by a team of Liaison Officers, has the onerous task of keeping things running to schedule today.

After helping to select the New South Wales team for the A.N.F.C. Carnival at Canberra next week-end, Carl will be officiating in another sport—this time at the Katoomba Race Track as a Flag Marshal with the Australian Racing Drivers' Club. Certainly a busy man.

☆ ☆ ☆

On the P.A. System today is Alderman John K. Stewart, Vice-president of the League and N.S.W. Delegate to the Australian National Football Council. He will be aided by Mr. Norman Banks, ace Sporting Commentator from Melbourne.

CATCH THEM YOUNG

Paul Pastry, at 16 years 2 months of age, is the youngest player to represent New South Wales at Australian football.

This 6 foot 13 stone ruckman from the Eastern Suburbs Club is destined for a distinguished football career.

In the St. Kilda teams are Gary Colling 18 6.1½ 12.7, schoolboy; Jim O'Dea 19 6.1 12.10; Allan Davis 19, 5.1½, 12.12, who played in the 1966 Premiership side at 17 years of age whilst attending school and Stephen Roberts 19 6.3 13.7 who was included in the list when only 16 years of age.

Carlton have two 17 year olders in Brent Crosswell 6.1 12.5 and Robert Walls 6.3 12.8, also Robert Edmond 19 years 6.2, 13.0.

Many claims are made as to youngest player ever to play League football in Victoria, but here are some of the youngest:—

Mick Maguire, 15 years 2 months, when he played with Richmond in 1909.

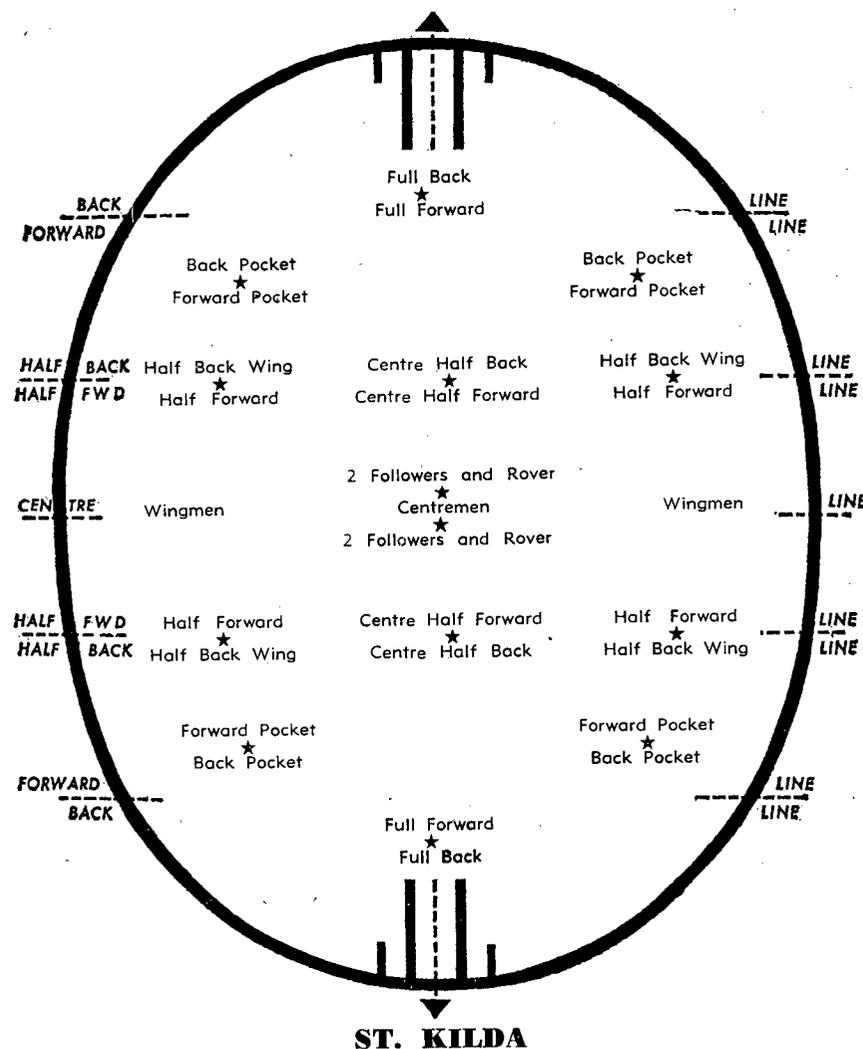

Wells Eicke, was 15 years 3 months, when he first played with St. Kilda.

Keith Bromage was 15 years 8 months when he first played with Collingwood in 1953.

Len Fitzgerald was 15 years 10 months when he first played with Collingwood; Albert Collier 16, Collingwood; Des Fothergill 16, Collingwood; Kevin Murray 16, Fitzroy; Bob Kington, 16, South Melbourne.

Present Geelong player Ken Newland was 16 years 2 months when he first played in 1965.

Jack Dyer, 17, Richmond; Dick Reynolds, 17, Essendon; Thorold Merrett, 17, Collingwood; Harry Collier 17, Collingwood; and Arthur Edwards, 17, Footscray, were players to make League at an early age.

ST. KILDA FOOTBALL CLUB

ALLAN JEANS, Coach

Allan is in his eighth season as non-playing Coach and is the most successful in the Club's history. In his first season in 1961 he took the team into Final Four for the first time in 22 years. The Saints finished fourth, a position they filled again in 1963. Then in 1965 Allan led the side into a Grand Final—their first since 1913—only to be defeated by Essendon. The following year, however, St. Kilda won its first-ever premiership flag, and Allan Jeans was a guiding light behind the one-point Grand Final victory over Collingwood.

DARREL BALDOCK

Captain. "Doc" is one of the best-known footballers in Australia. He has captained Saints since 1963, and has played over 100 games. He was Club best and fairest in 1962 (his first year), 1963 and 1965. Before transferring to St. Kilda, Darrel captained Tasmania at 21 years of age — their youngest ever. He captained Victoria in 1967 and was acting captain of the 1966 Carnival side. At the end of the ANFC Championships in Hobart, Darrel was named captain of the All-Australian team.

VERDUN HOWELL, Vice-Captain

Verdun came from Tasmania in 1958, and has played over 160 games and represented Victoria several times. In 1959 he tied for the Brownlow Medal but lost on a count-back to Bob Skilton (South Melbourne). In the same season Verdun was adjudged Club best and fairest.

KEVIN BILLING

Kevin is a talented footballer who has played in many positions with the Saints. He made his League debut at 17 years of age after winning his way through from the Under 19's. He was 20th man in the 1966 premiership side.

JOHN BONNEY

John was an outstanding player in Tasmania before switching to St. Kilda in 1967. Business commitments forced John to return to Tasmania but typical of this player's dedication he travels each week from Burnie to play with the Saints.

BARRY BREEN

Barry is in his fourth year with St. Kilda yet he is only 20 years of age. Recruited from a local Club, Mentone, Barry is a strong mark and kick and plays at centre half-back.

GARY COLLING

This is Gary's first year at St. Kilda and he has done extremely well. A schoolboy, he is only 18 years of age and plays on a half-back flank. He was recruited from Frankston Peninsula.

ALLAN DAVIS

Allan played in the 1966 premiership side at 17 years of age and while still attending school. Before joining St. Kilda, Allan was a star junior footballer with local Club East Sandringham.

IAN DYER

A former country player, Ian is a rover and has been with the Saints for the past three years. He kicked five goals against South Melbourne in the opening round this year.

JOHN EVANS

John is the youngest player on the Club's senior list. He was recruited from the same junior club—East Sandringham—as Ian Cooper, Allan Davis and John Manzie. John plays as a ruckman.

DARYL GRIFFITHS

Daryl is one of the leading utility players in the Victorian Football Football League. Originally a full-forward, he has shone whether played in the centre, at half-back or half-forward or as a ruck-rover. A brilliant footballer.

DES KENNEDY

Des is a ruck-rover and is noted for his long kicking. Before joining St. Kilda he played with Sandringham in the VFA and was a member of their 1962 premiership side.

JON LILLEY

A former star schoolboy player with Xavier College in the Public Schools, Jon has been with the Saints since 1966. He is a rugged back-pocket who marks and clears the ball well.

GRAEME McLEAN

Another former Public Schools schoolboy star. Graeme is a high-marking full forward. He played with Scotch College, and later represented the Victorian Amateurs in Interstate competition.

JEFF MORAN

Jeff plays on a wing and is a beautiful long, driving kick. He came to St. Kilda from East Brighton in 1965 and played in the Club's premiership team.

COACH: ALLAN JEANS MANAGER: IAN DRAKE

LAWS OF THE AUSTRALIAN NATIONAL GAME OF FOOTBALL

(1) The game is played over 100 minutes, with four quarters of 25 minutes each. One important aspect is that the action flows all the time. There are no stoppages, not even for injury, and trainers are permitted on the field at all time to attend injured players.

(2) Scoring is done by registering goals or behinds, and the side with the greater number of points wins the match. If the points scored are equal the match is drawn.

A goal is scored when the ball is kicked between the two tall inner posts by a player of the attacking side without touching a player or a goal post, and a behind is scored in any other case when the ball passes over the goal line, or through the outer posts. A goal shall count six points and a behind one point. The Goal Umpire signals a goal by waving two flags and the game is recommenced by the Field Umpire bouncing the ball in the centre. A behind is signalled by one flag and the game recommenced by a player of the defending side kicking off from the kick-off line. In each instance, time off is recorded from the time the Goal Umpire signals the score and the game is recommenced.

(3) There is no off-side and the ball may be kicked or passed forward or backward at will.

(4) There is no knock-on penalty. The legal way of passing the ball is by hand punching. Throwing is illegal and brings a free kick to the opposing team.

(5) Tackling is different to any other code. A player in possession of the ball may be met fairly by an opponent and brought down by the use of the hip, shoulder or chest and he may be pushed on the side or in the chest with the open palms. A man in possession when tackled or held fairly must immediately get rid of the ball. If he fails to do so it is known as "holding the ball" and entitles the opposing side to a free kick.

Tackling or holding below the hips or above the shoulders is not allowed. Tackling or holding the man who is not in possession of the ball is not allowed.

(6) A player in possession must not run for more than 10 yards without bouncing the ball. However, long runs are few and far between and good players would rather gain ground by kicking to a team mate.

(7) Kicking out of bounds deliberately can be penalised. If the field umpire is of the opinion the ball was kicked out deliberately he can award a free kick to the opposing team. This is to keep the game flowing.

(8) Players are not sent off the field for ground offences. The Field Umpire reports the player after the game and his case is then heard by the Judiciary Committee.

(9) There are 18 players on each side with a 19th and 20th man who can replace any player, injured or otherwise, at any time during the match.

The 36 players are given set positions at the start of the match, but there could be many changes in position before the game is concluded. This is particularly the case if one player is being consistently beaten by his opposite number.
